## Profile

I am an IT professional currently focusing on education as my full time endeavor. During my free time, I help run Mobile Monday Malta (<http://www.momomalta.org>) - an industry group focusing on mobile technology and the Malta Linux User Group (<http://www.linux.org.mt>). I also do some part-time consultancy and web development. Birthday is on 15th September 1986, I am single and have a driving license.

## Experience

### **Lecturer, St. Aloysius' College 6th Form - 2008-Present**

Lectured in Computer A-Level, Computer I-Level and Information Technology I-Level. Supported students in their Java & HTML programming assignments.

### **Replacement Lecturer, G.F. Abela Junior College - 2008**

Provided tuition services for Information Technology I-Level on a replacement basis.

### **Lecturer, STC Training - 2005-2007**

Provided tuition services for the International Diploma in Computer Studies (IDCS) offered by NCC Education in the Programming Methods, Developing a Website, Systems Development and E-Commerce modules.

### **Sales Executive, STC Training - 2006**

Guided potential students in their choices for IT education; Aided in the development of promotions and promotional material for course advertising; Aided in the development and implementation of marketing and business development strategies; Provided administrative support for Cisco Networking Academy courses; Developed ideas for new courses and associated services.
